Dear Community Partners:

Our Parent Teacher Organization (PTO) for Wellington Landings Middle School will be holding our annual Walk-a-Thon in January 2020 to help raise funds for our school. Wellington Landings Middle School is a **non-profit school** providing quality care and education for students from 11 - 15 years of age, and we are asking for your help in providing **any** items for our prizes students can earn by collecting certain amounts of donations. Gift certificates and merchandise from area businesses are an important part of our event. **All** the monies raised from donations will be used for school materials and supplies for the students and teachers.

In appreciation for your donation, **your business name will appear** in our PTO email letter as well as on our website. By donating to our school fundraiser, your business receives instant marketing to **approximately 1400 families**. As a non-profit school, **all items donated are tax deductible**.

Thank you in advance for your participation. Together we can make this a very successful event for the students. All donations must reach us by **December 1, 2019** so we can set up the prizes for the event. Please contact me at wlmstpov@gmail.com if you need any additional information.

You can mail your donation to:
